Submission Guidelines and Requirements

Size and Medium

Artwork must be no larger than 24" x 24". All artwork will be hung on the wall for exhibition using 3M hooks and should be matted. Due to space limitations for the exhibition, we are unable to accept any sculptural or 3-dimensional artwork.

Accepted Mediums

- Painting
- Drawing and illustration
- Photography
- Digital print
- Mixed media
- Printmaking
- Collage

Artist Statement

An artist statement must accompany each submitted artwork explaining how their artwork relates to the theme: *The Power of Wind*. The artist statement, no more than 200 words, should be prepared in a Word document and uploaded with your art submission.

Judging Criteria

The judging criteria will focus on the interpretation of the theme in both the artwork and the artist's statement, creativity in concept and presentation, as well as technique and skill demonstration. Artwork from 6th-8th graders and 9th-12th graders will be evaluated separately

Photographing Artwork

- Submit your file in a .jpeg format.
- Place art on a flat surface ensuring neither the camera nor art is tilted. You may consider hanging your art on a wall before photographing. Be sure to check for uneven light and that the image is crisp and without blur before submission.
- Artwork selected for exhibition will be subsequently judged in person.
