WEDDINGS

The Foundry is a converted warehouse that was built in the early 1900's that was an actual original working Foundry. Located along the Southwest bank of the Flats, with the Cuyahoga River winding through our backyard, we offer a unique wedding destination with lodging right on our premises, 2 beautiful Airbnb's with a nautical interior design are walking distance to downtown attractions & nearby hotels & restaurants. This historic manufacturing location with its updated working boathouse makes this an extremely attractive venue for those who like to think out of the box for smaller, more intimate weddings & allows for personalized décor, catering & lighting installation.

Enjoy one of the best locations in Cleveland along the bank of the Cuyahoga River. Historic campus featuring authentic décor, exposed brick and many unique rooms for your special event. Your event can be customized to your taste and budget. The Foundry is a non-profit organization, so your event rental helps us fulfill our mission. All earned revenue from events goes directly into programming to allow more students to experience the water sports of rowing and sailing.

CORPORATE & ORGANIZATIONAL BUSINESS MEETINGS

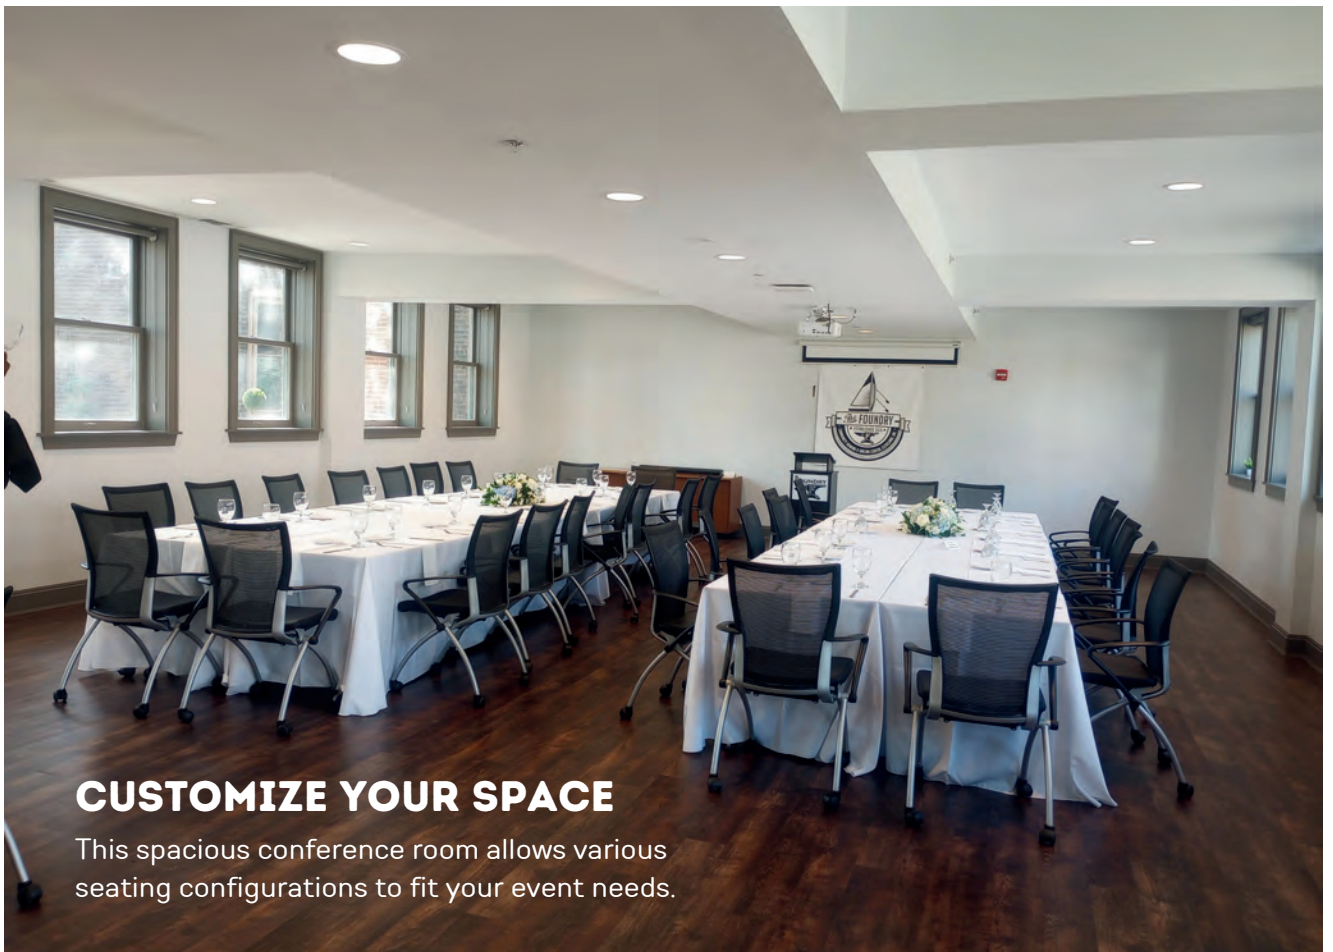

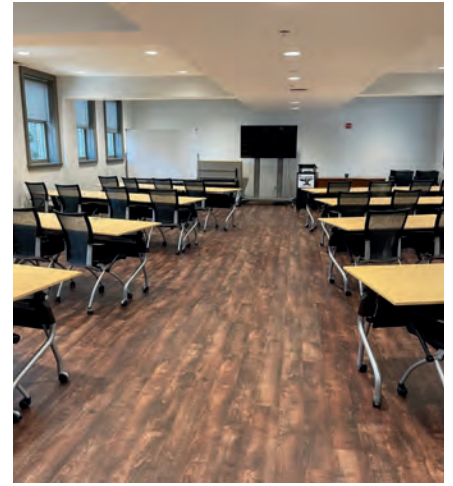

Have your meeting in our spacious Community Room with full IT capability & multiple styles of set up to enhance your experience with a registration/reception room connected. Order from one of our suggested caterers or choose your own catering company.

Multiple room configurations are available. Guests enjoy free on-site parking all on the same level. Easy access to the meeting facility. Spacious, beautiful main lobby greets all guests for your special meeting.

Meeting planners are reminded to include a brief Foundry tour that is provided to every organization at the time of the meeting. Flexible scheduling allows you to provide your guests with a tour of the historic, working boathouse.

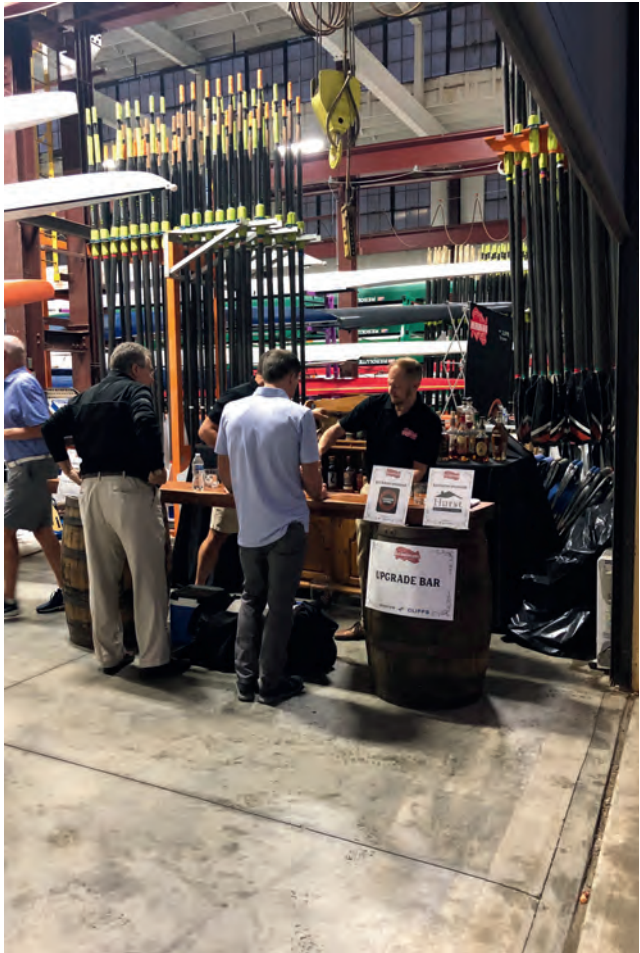

Make your guests feel welcome in a very unique setting nothing like nothing they have experienced before. And most importantly, the Foundry is a non-profit organization, therefore holding your meeting at the Foundry helps us fulfill our mission. All earned revenue from meetings goes directly into programming to allow more students to experience the water sports of rowing and sailing.

CUSTOMIZE YOUR SPACE

This spacious conference room allows various seating configurations to fit your event needs.

CORPORATE & ORGANIZATIONAL BUSINESS MEETINGS

TANK HOUSE

Our Tank House, one of a handful found in the Country, is the most efficient, effective way to stay in shape in the off season if you're a rower. When it's blowing outside, come into our temperature and current controlled Tank House and get your sweat on!

Also available, coached one-hour team building Tank Sessions. Put together a program that compares the lessons of working together as a rowing team to working together in your office or get your remote staff together for a fun bonding experience here at the Foundry. The Foundry offers many options for the local company or organization that has eager employees that need to bond.

This unique experience is not to be missed. We offer very flexible scheduling options. Pair your team-building experience with a meeting room at the Foundry and develop a meeting/fun work day while on campus. A full list of preferred catering companies is available.

RESERVE YOUR SPACE TODAY

Thank you for taking the time to explore the event spaces available at the Cleveland Foundry. We hope the variety and versatility of our spaces have sparked interest for your upcoming event. If you'd like further details, have specific requirements, or wish to schedule a visit, please don't hesitate to reach out to our dedicated team.

GINA TREBILCOCK
